Attestation of Title

The undersigned, on behalf of [Indigo Carbon, PBC] (the "Attestor"[1]), in connection with [Indigo U.S. Project No. 1] [CAR # 1459] (the "Project"), hereby attests, represents, warrants and covenants to the Climate Action Reserve (the "Reserve"), as of the date set forth below, as follows:

1. The Attestor holds, free of any lien, charge, security interest or other encumbrance, legal title to and all beneficial ownership rights in the following (the "Project Reductions"): (i) any removal, limitation, reduction, avoidance, sequestration or mitigation of any greenhouse gas associated with the Project and arising during the period beginning on [June 12th, 2018] and ending on [December 31st, 2023] (the "Verification Period"),, and (ii) any right, interest, credit, entitlement, benefit or allowance to emit (present or future) arising from or associated with any of the foregoing (except, with respect to both clauses (i) and (ii) above, for any failure to hold such legal title and beneficial ownership rights as may have resulted from one or more Permitted Transfers by the Attestor or any predecessor in interest thereof).

   For purposes hereof, "Permitted Transfer" means any transfer of one or more Climate Reserve Tonnes representing Project Reductions ("Project CRTs"), or one or more carbon offset credits issued with the Reserve's express written permission upon the conversion, retirement or cancellation of one or more Project CRTs ("Other Project Credits"), provided that any such transfer of Project CRTs is in accordance with the Reserve's Terms of Use and Reserve Offset Program Manual, each as may be amended from time to time.

2. The Attestor has not effected, nor will it attempt or effect, any sale or other transfer of the Project Reductions except by way of one or more Permitted Transfers.

3. Neither the Project Reductions nor any Project CRTs have been or will be registered with, reported in, or held, transferred or retired via any emissions registry or inventory other than the Reserve (except as to Project Reductions represented by Other Project Credits) or registered with the Reserve under a different project title or location.

4. The Attestor has not made or provided, and will not make or provide, knowingly false, fraudulent or misleading statements or information to the Reserve or any third party verifier.

5. The undersigned is a duly qualified and acting officer of the Attestor holding the title indicated on the signature page hereof and is expressly authorized to execute and deliver this Attestation on behalf of the Attestor, thereby rendering this Attestation binding on the Attestor.
